RE: TWIC (TRANSPORTATION WORKER IDENTIFICATION CREDENTIAL)

Infineum's Bayway Chemical Plant has been designated as a Maritime Transportation Security Act (MTSA) regulated facility by the Transportation Security Administration. Effective September 1, 2008, access to the Chemical Plant will be limited to individuals that possess a TWIC card. Since your company provides us with services and/or indirect materials that are delivered directly to this location, anyone acting on your behalf will need to possess a TWIC card to gain access to the Chemical Plant. The attached documents from the TSA outline what is required in detail. We strongly recommend you start the process now to ensure that services and/or deliveries of indirect materials to the Chemical Plant are not disrupted due to non-compliance.

TWIC card will be issued to individual applicants, not to a company entity. Infineum will not reimburse contractors or the employees for the cost of the TWIC card, or any other associated costs.

If you have any questions, please do not hesitate to contact your Infineum Procurement representative or visit the TSA at www.tsa.gov/twic.

Your prompt attention to this matter is greatly appreciated.

Very truly yours,

What is TWIC?

TWIC is a common identification credential for all personnel requiring unescorted access to secure areas of [MTSA](#) -regulated facilities and vessels, and all mariners holding Coast Guard-issued credentials. Individuals who meet TWIC eligibility requirements will be issued a tamper-resistant credential containing the worker's biometric (fingerprint template) to allow for a positive link between the card and the individual. (homeport.uscg.mil)

Who must get a TWIC?

Coast Guard-credentialed merchant mariners, port facility employees, long shore workers, truck drivers, and others requiring unescorted access to secure areas of maritime facilities and vessels regulated by [MTSA](#) are required to get a TWIC. (homeport.uscg.mil)

When will I be required to have a TWIC?

All workers who require unescorted access to secure areas of maritime facilities and vessels and all U.S. credentialed mariners are required to have a TWIC.

Where do I go for 'official' TWIC enrollment information and services?

TWIC information and resources are available on the official TWIC Program web site (www.tsa.gov/twic) and through the TWIC help desk (1-866-DHS-TWIC), at no additional cost to the enrollment fee.

Can contractors apply for a TWIC if they anticipate bidding on or receiving a contract that would require unescorted access to secure areas of MTSA-regulated vessels or facilities?

Contractors (or individuals who are not direct employees of a port owner or operator, but rather are 'contract' employees) can apply for a TWIC as long as they meet the TWIC eligibility requirements and, at a minimum, are expecting to pursue contracts at MTSA-regulated vessels and facilities where the owners or operators have determined a need for unescorted access in secure areas. If circumstances change and the individual no longer meet certain conditions, they are required to surrender their TWIC.

Who can I contact to get more information on TWIC?

Web site: www.tsa.gov/twic

TWIC Program Help Desk: 1-866-DHS-TWIC (1-866-347-8942) Monday through Friday from 8 a.m. - 10 p.m. Eastern.

Please visit homeport.uscg.mil/twic for answers relating to Coast Guard enforcement and TWIC implementation.

Owners/operators/FSOs/VSOs/CSOs are encouraged to seek guidance directly from their local Captain of the Port TWIC action officer.
